Re: Timeline of Investigation

Dear Mr. Colangelo:

As President of the Stamford Board of Representatives, I am respectfully requesting information on the timeline for the conclusion of the investigation by the Office of State's Attorney into the death of Steven Barrier.

There is a desire on the part of some members of the Board of Representatives to review the processes followed by the Stamford Police Department surrounding Mr. Barrier's death. However, the Board does not want to interfere with the investigation being conducted by your office. Moreover, the Board wants to ensure the full participation of the Stamford Police Department in its review, and understands that this will not be possible until the conclusion of your investigation.

While I understand that circumstances can change and you are unable to guarantee a specific date by which your investigation will conclude, I would appreciate you giving me a timeline I can convey to my members.

Very truly yours,

Matthew Quinones, President
30th Board of Representatives
